Dear HRA Parents/Guardians,

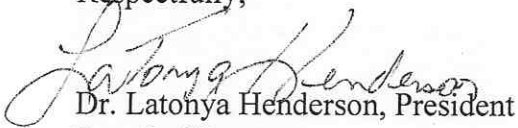

The Board of Trustees, administration, and staff value the families and friends of Howard Road Academy PCS. Thus, we make every effort to ensure that the staff and students of HRA are provided a safe environment conducive to teaching and learning.

The HRA Family extends its deepest regards to the communities impacted by Hurricane Irene. Although our middle school campus, HRA-MLK, was prepared to receive students, the early childhood campus and elementary campuses, HRA-PABC and HRA-Main, lost power again after the power had been restored. This unforeseen circumstance caused the early childhood and elementary campuses to be closed on Monday, August 29, 2011.

Due to the power outage, the schools were unable to send messages to homes and setup the voicemail messaging offsite. However, the schools were successful in sending the e-mail messaging and contacting the local news stations. You may view NBC 4 and ABC News Channel 8 to receive up-to-date information regarding the status of our campuses. We would like to provide as much notice as possible and therefore disseminate information as it is received.

We thank you in advance for your consideration.

Respectfully,

  
Dr. Latonya Henderson, President  
Board of Trustees
