

Howard Road Academy PCS

Student Affirmation

Today I choose to be a scholar, a creator,
a critical thinker and a problem solver.

I will honor my teachers
and respect my peers,

I believe that my body is healthy and strong,
and my future is bright and full of promise. I
know that my gifts and talents will take me to a
place where my character will keep me. For I

am a student at

Howard Road Academy,
and I READY TO LEARN.
