

TEXTBOOKS AND SUPPLIES LISTS

Howard Road Academy furnishes all textbooks and materials needed for academic instruction; however, students are required to have additional materials and/or supplies. All students should have these supplies by the end of the first week of school. As the year progresses, the student's supplies should be replenished at the end of every quarter. Parents are required to reimburse the School for lost or damaged books, before new books are issued. Parents, below is a list of supplies per grade level.
